Just recently I attended a West Sussex County Council School Place Planning on Teams. I believe that Arun District Council on considering the 650 houses on Bognor Regis Golf Course need to be thinking again about this situation. The District and Borough Council plans estimate some 70,000 new homes across West Sussex by 2032- this equates to the potential need for 35 NEW PRIMARY SCHOOLS . West Sussex County Council does not have the ability to open up its own brand new schools, therefore children moving onto these new estates will have no school to go to, this affects Felpham as well.

Your views as made above will be considered before the application is determined.
