Dear Ms Field

Please find attached a picture taken on the 3rd November 2023 of the General Manager of Bognor Regis Golf Club Kayaking on the flooded golf course in respect the above undecided planning application for a housing development on the current golf course site together with 2 other golf club course views.

This is not the first time the course has flood and whilst I appreciate that we have had a he amount of rain increasing year by year it seems that this is likely to continue. Please can these pictures be added to my objection to the planning consent.

Yours faithfully

Linda J Somerville
