Dear Sirs

**FP/297/17/HH, Retention of summerhouse, associated works and landscaping  
15 Kingsmead, Felpham**

Further to your letter of 5<sup>th</sup> December, I reply as follows:

- The Location Plan now attached shows a red line around the property boundary
- The copy of drawing 11621/09 attached is not described as a block/site plan but acts as such. I have also included a second copy of the drawing with the affected site area outlined in red.
- South and West Elevations are indicated on the attached drawing 11621/18. Please note that the east and north elevations previously submitted ARE accurate, but because the glazed door is in an angled elevation, it appears to be shortened. However, I have included a North East Elevation on drawing 11621.17.
- A Flood Risk Assessment is attached.

Yours faithfully

*David Bennett*
