LEGISLATIVE BACKGROUND

Section 192(2) of the Town and Country Planning Act 1990 states:-

If, on an application under this section, the local planning authority are provided with information satisfying them that the use or operations described in the application would be lawful if instituted or begun at the time of the application, they shall issue a certificate to that effect; and in any other case they shall refuse the application.

In this instance the proposed works will be assessed against the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

- Class A, which pertains to the enlargement, improvement, or other alterations to a dwellinghouse.

Provided the proposed works satisfy the relevant criteria, and that no restrictive conditions to development have been imposed on the site, the proposed works will constitute Permitted Development and would not require planning permission. If the works fail to accord with the criteria then planning permission will be required for them to take place.

CONCLUSIONS

The proposed single storey side extension is considered to fall under Schedule 2 Part 1 Class A of the Town and Country Planning (General Permitted Development) (England) Order 2015.

A.1 Development is not permitted by Class A if:

(a) permission to use the dwellinghouse as a dwellinghouse has been granted only by virtue of Class M,N,P or Q of Part 3 of this schedule (changes of use):

(b) as a result of the works, the total area of ground covered by buildings within the curtilage of the dwellinghouse (other than the original dwellinghouse) would exceed 50% of the total area of the curtilage (excluding the ground area of the original dwellinghouse):

(c) the height of the part of the dwellinghouse enlarged, improved or altered would exceed the height of the highest part of the roof of the existing dwellinghouse;

(d) the height of the eaves of the part of the dwellinghouse enlarged, improved or altered would exceed the height of the eaves of the existing dwellinghouse;

(e) the enlarged part of the dwellinghouse would extend beyond a wall which

(i) fronts a highway, and

(ii) forms either the principle elevation or a side elevation of the original dwellinghouse;

(f) subject to paragraph (g), the enlarged part of the dwellinghouse would have a single storey and

(i) extend beyond the rear wall of the original dwellinghouse by more than 4 metres in the case of a detached dwellinghouse, or 3 metres in the case of any other dwellinghouse, or

(ii) exceed 4 metres in height;

(g) until 30th May 2019, for a dwellinghouse not on article 2(3) land nor on a site of special scientific interest, the enlarged part of the dwellinghouse would have a single storey and

(i) extend beyond the rear wall of the dwellinghouse by more than 8 metres in the case of a detached dwellinghouse, or 6 metres in the case of any other dwellinghouse, or

(ii) exceed 4 metres in height;

(h) the enlarged part of the dwellinghouse would have more than a single storey and

(i) extend beyond the rear wall of the original dwellinghouse by more than 3 metres, or

(ii) be within 7 metres of any boundary of the curtilage of the dwellinghouse opposite the rear wall of the dwellinghouse;

(i) the enlarged part of the dwellinghouse would be within 2 metres of the boundary of the curtilage of the dwellinghouse, and the height of the eaves of the enlarged part would exceed 3 metres.

(j) the enlarged part of the dwellinghouse would extend beyond a wall forming a side elevation of the original dwellinghouse, and would

- (i) exceed 4 metres in height;
- (ii) have more than one storey, or
- (iii) have a width greater than half the width of the original dwellinghouse; or

(k) it would consist of or include

- (i) the construction or provision of a verandah, balcony or raised platform,
- (ii) the installation, alteration or replacement of a microwave antenna,
- (iii) the installation, alteration or replacement of a chimney, flue or soil and vent pipe, or
- (iv) an alteration to any part of the roof of the dwellinghouse

A.2 In the case of a dwellinghouse on article 2(3) land, development is not permitted by Class A if

(a) it would consist of or include the cladding of any part of the exterior of the dwellinghouse with stone, artificial stone, pebble dash, render, timber, plastic or tiles;

(b) the enlarged part of the dwellinghouse would extend beyond a wall forming a side elevation of the original dwellinghouse; or

(c) the enlarged part of the dwellinghouse would have more than one storey and extend beyond the rear wall of the original dwellinghouse.

A.3 Development is permitted by Class A subject to the following conditions

(a) the materials used in any exterior work (other than the materials used in the construction of a conservatory) shall be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse;

(b) any upper floor window located in a wall or roof slope forming a side elevation of the dwellinghouse must be

- (i) obscure glazed, and
- (ii) non-opening unless the parts of the window which can be opened are more than 1.7m above the floor of the room in which the window is installed; and

(c) where the enlarged part of the dwellinghouse has more than one storey, the roof pitch of the enlarged part shall, so far as practicable, be the same as the roof pitch of the original dwellinghouse.

The property known as 74 Felpham Way is a semi-detached property and is not a listed building or within a Conservation Area. The proposed extension would be of materials similar to existing.

The proposed single storey extension complies with relevant sections (a),(b),(c),(d),(e),(i), (j)(i)(ii)(iii), (k) and is considered to be "Permitted Development", materials to match existing have been specified and as such does not require the submission of an application for full planning permission.
