Hi Julia,

The drawings look fine. However, as the application has been registered as a CLP (Certificate of Lawfulness Proposed Development), we cannot now amend it to be a prior approval application. Please therefore withdraw the current application (FP/30/15/CLP). We will then refund the fee. You can then resubmit a prior approval type application.

Kind Regards

Dear Simon

Following our telephone conversation yesterday about the extension at 16 Goodwood Avenue, I have spoken to my Client and they have decided to amend the roof to a part pitched / part flat roof, meaning that the eaves level matches the existing.

Please find attached copies of the revised drawings. As the maximum height of the roof is below four metres, materials to match existing etc, I trust that this amended design can be dealt with under a prior approval notice.

If you have any queries, please do not hesitate to contact me.

Regards
