Ref Application FP/30/19/PL – 10 South Road, Felpham
Re-submission of FP/234/17/PL – Land to the rear of 10 South Road

Dear Sir,

With reference to above the planning application, I wish once again to object to this development. This is not a suitable site and in view of the half dozen or so previous applications can only be seen as a means to an end.

South Road is a very narrow road and already has congestion problems twice a day from school parents using the road as a car park. Emergency services would have serious problems should an emergency arise, which is highly likely in view of the poor driving and parking of all the school parents.

There is also the issue of residents privacy which would be seriously compromise several neighbouring properties.

Also I would like to state that the road is in a very bad state of repair, I have lived here for 40 years now and in that time it has never been resurfaced.

Yours faithfully,

Gwendolen Peskett
