Dear Sir/Madam

Objection to Planning Application FP/30/19/PL

10 South Road, Felpham PO22 8EF

I wish to submit an objection to the proposal to knock down the existing property, no. 10 South Road, and construct a new property at the rear of the same plot.

The proposals are unnecessary and will spoil the look of this road. It is totally out of character and will ruin the symmetric pattern of development within the road. It is also not fair for the neighbours who will have people overlooking into their back gardens. It will also encourage other people locally to consider building in their back gardens which is not something we would like to happen.

Yours faithfully

Mrs Janet Wells

To: Assistant Director of Planning

Arun District Council, Maltravers Road, Littlehampton BN17 5LF
