Subject: FP/30/19/PI : Letter of Objection

Dear Mr Corbey

One of my neighbours (Bernard Shattock) has advised me that my letter of objection to Planning Application FP/30/19/PL, 10 South Road, Felpham has gone missing. I hand delivered it to the general reception desk at Arun D.C. offices in Littlehampton on 25th March. I therefore attach a pdf copy so it can be lodged as an objection and placed on the web Arun site available to the public.

Kind regards

Ian Illes
