App No: FP/30/19/PL

Address: 10 South Road Felpham PO22 8EF

Proposal: Demolition of chalet & erection of 1 No. 4 bedroom chalet (resubmission following FP/234/17/PL)

Bats

Following submission of the Preliminary Ecological Appraisal and Internal/External Bat Survey (Aug 2016) we are satisfied that no further survey work for bats is required.

Reptiles

To ensure the site remains unsuitable for reptiles, continued management of the site must take place to ensure reptile habitat does not develop onsite. If this is not possible then a precautionary approach should be taken within the site with regards to reptiles.

Kind regards

Liz
