Subject: Fwd: FELPHAM ELEVATION.

Dear Richard.- Herewith the north elevation with existing shown dotted. I was looking at the second floor bedroom 3 right on the boundary, and realise that you meant the stairwell section of course, sorry for my confusion. Trust the drawing assists. In speaking to Peter O'Neill it appears that understandably he has been mindful of the requirements of the Building Regulations in arranging the internal staircase/lobby to comply.

Regards,

David.

Subject: FELPHAM ELEVATION.

David,

North elevation with existing structure dotted on.

Peter
