RECEIVED

Dear Sir,

I would like to put in an objection to Access Rd put in from old Co-Op on Main Rd. This single car road can not maintain more cars going up and down plus its full of pot holes. This is a complex for old people with lots of disabilities people in wheelchairs. They need peace and quite in there last years. I see that 2 bedroom Houses to be built, probably that means children, what about the large pond Flaxmean house, with children a accident waiting to happen. I feel this is not a good proposal.

I would also like to know why the yellow notices are not put in Flaxmead so people

2

who cant walk far can see
them. Chevys put in Wick Lane.
thats all!!!

Yours
