T11	Silver Birch	150 mm	4.5 metres	Retain
T12	Silver Birch	200 mm	4.5 metres	Retain

The 5 trees to be removed are all on the applicants property and are of no particular horticultural value. The trees are of a size and/or position whereby they could affect the foundations of the existing and new buildings and therefore are proposed to be removed.

Pic – View of the two Tamarisk trees to be removed.

Pic – View of the Bay Laurel and Pittosporum trees to be removed.

Pic. – Silver Birch and Crab Apple trees to be retained.

The trees to be retained are small with limited root growth not thought to be affected by the new development.
