Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FP/32/21/PL
Site Address: Land adjacent to 10 Second Avenue Felpham PO22 7LJ
Description of works: Two storey, 4 Bed detached dwelling with new access & parking. This site is in CIL Zone 4 & is CIL Liable as new dwelling.

Thank you for your internet representation made on 7th April 2021 which has been recorded as an objection with the comments as follows:

OWPC34974

Having been very briefly shown an outline drawing and advised that this was a home for grandparents we were surprised at the size of the proposed property when looking at the detail on the planning portal. We object to the size of the two storey building at the eastern/rear end. This is a bigger building than expected from the description given by the Applicant to us for a home for two elderly parents. This is without doubt over development. Something smaller and more suitable for two elderly parents would be acceptable. Second Avenue has already been the subject of an oversized and squeezed in building.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform

you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning

PLEASE NOTE: Essential IT work will be carried out during the week of 12 April 2021 and there will be no access to the planning records on the website. It will not be possible to follow the progress of an application, view any documents or make on line comments. To ensure that no one is disadvantaged the publicity period will be extended by a week on planning applications where the publicity period falls over this week. The site notices and documentation will quote the extended date if this is applicable.

All aspects of planning, building control and local land charges will be limited during this week. If you do need to contact the case officer during this week you will need to be able to provide the exact reference number and as much detail as possible. The service will be extremely limited and it would be best to contact us either before 12 April, or after, when the work is completed on 19 April 2021.

For details of how the Council will deal with your data please refer to our privacy notices on the website www.arun.gov.uk/planning-privacy-statements

If you have provided an email address, all correspondence including the decision notice will be sent by email. It is therefore important that you keep us informed if this changes during the course of this application.
