Dear Mrs Leeson,

Further to the objection submission made by Felpham Parish Council via the online system for the above application, additional information has come to light.

Please could you consider the following comments alongside the original objection:

- We are concerned about increased access & egress to the site.
- We believe there are bats in the roof.
- We believe there are original features inside – fireplace, staircase & ceilings that could be lost if building converted to residential use.

Thank you.

Yvonne Coleman
Committee Clerk to Planning – Felpham Parish Council
