Dear Lauren,

The situation is thus:

05 – I emailed you with the Ecology comments on 15/03. You said there would be a Badger survey sent to me soon?
06 – Tree Officer comments still awaited
07-10 – I emailed you with the drainage engineer objections/comments also on 15/03
11 – Archaeology have agreed with the submission and we can issue a decision on this one
12 – Landscape Officer comment still awaited
13 – Southern Water have agreed with the submission and we can issue a decision on this one
14 & 24 – I will look at this detail when I issue the other conditions but cannot see there being any problems discharging these two.

Can you advise where you are with the badger survey and the additional drainage detail.

Kind Regards
