1no Holm Oak tree - crown lift to 5 metres, removal of all hanging branches, crown thin by 20% & crown reduction all round by 2.5m - Within the Felpham Conservation Area

The Old Cottage, 10 Vicarage Lane, Bognor Regis,

I refer to your recent notification of your intention to carry out the above mentioned works and write to inform you that, after consideration of your proposal, it has been decided to OBJECT to this proposal and create a Tree Preservation Order.

The proposed crown thinning and 2.5m reduction of this Holm Oak tree which is highly visible in the area, is a very fine specimen of high amenity value and given its age, has historic value in the Conservation Area, would be detrimental to the ongoing health & vitality of the tree and damage its amenity value.

You must not proceed with the works specified without the written consent of the Local Planning Authority. The documents relating to the Tree Preservation Order will follow shortly.

I trust this is of assistance to you.

Yours sincerely

Karl Roberts
Assistant Director Planning & Economic Regeneration
