Sain,

Following your request of the above reference No. on 31/03/20 . Please find attached Dwg. No. LP 01 Rev A with all other red lines removed as requested.

I also attach form 1 CIL Additional Information but am at a loss as to why this is required for a dropped kerb to an existing property. I would be grateful if you can confirm why this is required for my future reference.

Many Thanks

Robert Syred
