Good afternoon,

Thank you for your email.

We have received an objection to the application from Felpham Parish Council, who are concerned that the proposals represent an overdevelopment of the site, and would have an adverse impact on the character and visual amenity of the area, due the impact on the spatial pattern and composition of development on Ormesby Crescent.

At present, on balance, I am expecting to recommend the application for approval and so the application would need to be decided by Planning Committee. The next meeting of the committee is currently scheduled for 26 August.

Other than the query about the trees on the BNG metric, which I believe we have now resolved, the consultees raised no concerns about the application. No representations from neighbours were received during the consultation period.

Please could you confirm if you are happy to agree to an extension of time until 31 August to allow time for the application to be heard by planning committee?

I look forward to hearing from you.

Kind regards,

I hope you are well?

I note that the consultation period for our application at 6 Ormesby Crescent has now ended. Have you had chance to look at the proposals yet? I would be grateful of an update for my Client.

Many thanks, with kind regards
