Dear Simon

Thanks for the update on the DOC.

FYI, we have made a material start of operations on site today, by constructing some of the foundations designed by our engineer, the work is being carried out by Three Sixty Build Ltd.

We have a current building regulation application ref FP/97/22/BR and building control have confirmed inspection on Wednesday 17th April, we will will pour concrete on Thursday 18/04/24.

On completion of the above by the end of the week the planning permission FP/32/24/Doc would now be extant.

Kind regards

Ivon

Dear Ivon,

It has been decided but it appears something wasn't done quite right on the system. I have now fixed this so it should be with you soon.

Simon.

Hi Simon

Has the decision notice been issued for the above DOC yet, I can't see it on the web site but it says approved on the 3/4/24.

Thanks

Kind regards
