To register to receive notifications of planning applications in our area, please go to www.arun.gov.uk/planning.

Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- **Research planning and building control history**
- **View any planning applications, plans, agreements, tree preservation orders or competent persons data**
- **Submit building control applications**
- **Submit planning application comments**
- **Report any planning compliance issues**

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Visit Arun's web site at www.arun.gov.uk

Save the environment - think before you print.

Dear planning
In response to the application ref: FP/57/21/T

The client plans to replace the Macracarpa tree in which will be felled with a Liquid Amber Maple Tree.
I hope this resolves your question and we can continue with the application.

Kind Regards

Leona Sampson
