Dear Mr Stephen Taylor

Development:

I refer to the complaint about high hedging, made under Part 8 of the Anti-social Behaviour Act 2003.

A hedge row of 8 Monterey Cypress trees and 1 Corsican Pine, all approx 70 years of age. We would like work to be carried out on these trees, if possible 3 to be felled (T6, T7 & T8) as in very poor condition and close to the property. We are happy for a much slower growing tree, for example a Yew tree, but away from the property. Lateral branches to be cut back on the side of 46 Outerwyke Road and reduced crown height.

T2 is a Corsican Pine, T1 to T9 are Monterey Cypress trees.

This is a on-going case, Arun District Council gave Mr Lonnen a remedial notice 6 years ago, to reduce tree height and lateral branches and maintain to this level, however nothing has been carried out since this work in 2013.

Location:

54 Outerwyke Road Felpham
