Dear Mr Brown,

Town & Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission for Works or Extension to a Dwelling

Development: Erection of part single, part two storey front, side and rear extensions, pool plant room and pool, installation of vehicular crossover and driveway, following the demolition of existing extensions, garage and timber shed.
Location: 128 Limmer Lane Felpham PO22 7LR

Thank you for your recent application which I received on 18th January 2022. It is being validated by Ms Iqraa Malik who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

West Sussex County Council require that a visibility splay is provided. A splay is formed for a 30 mph speed limit road by measuring from a point 2.4m back from the kerb edge in the centre of the proposed access. A line should then be drawn from either side of this point for 43 m in each direction to the nearside edge of the carriage way. The splays must intersect land only within the control of the applicant, or within the publicly maintained highway.

The distance will increase with the speed limit of the road. If the road is 40 mph speed limit then the distance should be 120 m either side. For speeds above this please contact West Sussex County Council Highways for advice on what would be acceptable.

Form

Please confirm in writing your acceptance of the amended description.

Erection of part single, part two storey front, side and rear extensions, pool plant room and pool, installation of vehicular crossover and driveway, following the demolition of existing extensions, garage and timber shed.

Crossover

You are required to submit a scaled plan of the crossover showing the width and depth of the proposed crossover.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

Please provide the above by **2nd February 2022** or your application will be closed as incomplete and you will have to resubmit if you wish to proceed. If you have difficulty meeting this deadline please contact the above officer to discuss the matter.
