Attachments: Application Form Notification of a proposed larger home extension Ammended.pdf

Dear Mr Denton

Further to our telephone conversation this morning I would like to confirm that the eaves height is 3m from ground height as indicated on drawing number 0088-05 and as described in the proposed works on the application form, The 3.05 dimension in section 4 on the application form is a typo I have attached an amended form for your records.

Kind Regards

Andy Belcher
