Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FP/66/26/PL
Site Address: Rabbit Island Rear of 84 Brooks Lane Bognor Regis PO22 8DN
Description of works: Retention of an existing agricultural barn previously approved under FP/106/23/AG with a total roof height of 4.2m (compared to 2.9m as permitted). This application is in CIL Zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 17th June 2026 which has been recorded as an objection with the comments as follows:

OWPC84150

Should have been allowed in the first place as it's not used for agricultural purposes. Owner built this knowing it was too high and like all the other problems he has caused seems to think he can get away with it. It just an ugly industrial unit that the residents have to look at and put up with the continual traffic using the units!!!

Your views as made above will be considered before the application is determined.
