Hi Nicky,

Both G1 and T2 will be left at around 5m-6m tall after the 2m-3m reduction of ascending stems and branches.

Kind regards,

Jonathan

Good Morning

With reference to your email below, as per the email sent on 26th April (copy attached) please provide the proposed measurements (e.g. reduce height to 7m) rather than the amount being removed.

Kind Regards

Nicky

Thank you for your email.

The height reduction on both G1 and T2 will be by 3m-4m.

Kind regards,
