Thank you for your internet comments made on 9th May 2012 and recorded as follows:

Tree Warden comments:

'I approve of the request because of the state of the tree. The tree should be removed in the Autumn after the nesting season. The work should be carried out by a qualified Tree Surgeon.'

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
