Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FP/70/21/PL
Site Address: Kenwood Court 6 The Midway Felpham PO22 7EZ
Description of works: Erection of a car port and rearrangement of existing parking spaces. This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 4th May 2021 which has been recorded as an objection with the comments as follows:

OWPC35729

I have looked at the proposed plans and I am seriously concerned about the overall size of the structure. Whilst no height dimensions are shown it appears that the car port is in the region of 6M high. This is not only excessive for a car port but would mean that the building would dominate the skyline from at least 10 of the adjacent properties and severely impair the view of surrounding green space from the gardens

Your views as made above will be considered before the application is determined.
