Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FP/70/21/PL
Site Address: Kenwood Court 6 The Midway Felpham PO22 7EZ
Description of works: Erection of a car port and rearrangement of existing parking spaces. This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 19th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36396

As a tenant at the property I strongly object to the proposal. We do not want the frontage turned into a car park, nor do we want to reverse into the road from the parking space. In addition, the disturbance of the newly laid gravel will scatter across the pathway, blocking the way for my mobility scooter. As for the rear, the plans are not only an eye sore but totally un-necessary. I have lived here 16 years, we do not need or want a carport. The residents have not been consulted on their requirements. We feel this is the prelude to something bigger which will deprive us of the rear car carpark ongoing.

Your views as made above will be considered before the application is determined.
