Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FP/70/21/PL
Site Address: Kenwood Court 6 The Midway Felpham PO22 7EZ
Description of works: Erection of a car port and rearrangement of existing parking spaces. This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 19th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36400

We strongly object to the proposed development to the rear of 6 The Midway. This is an enormous structure in both height and width which will significantly impact several local properties. The height will lead to loss of light and overshadowing in several directions as well as an unsightly view. There will be additional noise and disturbance resulting from its use. There is adequate parking for local needs already and this does not serve a useful purpose. It appears excessive to meet the stated purpose; in fact, the design of the structure, and materials, suggests an intention to be later converted to a dwelling. Whilst not grassed at present this is to some extent a green space, and building on it would contribute to congestion of the area. There are trees around the site that would be affected, with a consequent impact on wildlife.

In addition, there has been no yellow sign displayed in The Midway to alert residents to the resubmission of this application, which has been discovered by chance at the last moment.

Your views as made above will be considered before the application is determined.
