COMPLAINT

I sent this email (copied below for your convenience) on 21st May and aside from an automatic reply have not received a response. I note other emails sent in relation to this application have been uploaded to the portal.

In my view there have been two clear breaches of your procedure:
Lack of clear notification (no yellow sign in The Midway)
Responses submitted before the closing date were not considered in the decision.

This is aside from the significant content (and recurrent themes) of the many responses submitted.

Furthermore my neighbour Simon Collins has rights over use of the land which have not been considered.

Please upload this in full to the portal. Should I not receive a satisfactory response within 5 working days this matter will be escalated.

Kind regards

Mr and Mrs Ali

Subject: Re: Details of Planning decision on Application Ref: FP/70/21/PL at Kenwood Court

Thank you for the notification. I am alarmed that the decision took only one comment into account whereas there are in fact nine representations on file, each objecting heavily. Given there was no yellow notice this surely must be taken into account and these comments officially considered in the process as they were submitted in time. I would appreciate an explanation as to why these have not been included, and guidance as to whether appeal is possible.

Kind regards

Karen Ali
