For Miss C Burrows

Thank you for your letter, received today, requesting measurements in meters for the large pine. The details are:

A lower branch (on northern side) has split and is leaking sap. We request a 25% (4 meter) reduction and crown lift by 2 meters to balance it. Height after pruning 11 meters and width 11 meters.

I do hope this is all you need and look forward to hearing from you.

Regards
Rachel
