Development single storey rear extension, lean-to garage, window alterations and new roof coverings

Location 1 Wick Lane Felpham

Thank you for your recent application which I received on 5th April 2019. It is being validated by Sian Eggington who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

Block Plan

Please submit 1 electronic or 3 paper copies of a block/site plan which includes all dimensions from the proposed extension to the site boundaries.

Confirmation Required: The applicant and agent have been filled in the same. Please confirm this is correct.

Location Plan: Please remove all other red outlines on the location plan which are not the application outline.

Pedestrian Access: You have answered that there is a new pedestrian access to the site however the plans do not show this. Please confirm whether this is correct and show on plans. However if this is incorrect with your permission we can remove it from your forms for you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

For further detailed information on both the National and Local Validation Requirements please go

to our website: <http://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

Please provide the above by **24th April 2019** or your application will be closed as incomplete and you will have to resubmit if you wish to proceed with the application. If you have difficulty meeting this deadline please contact the above officer to discuss the matter.

Yours sincerely
