Thank you for your recent application which I received on 16th June 2026. It is being validated by Laura Mills who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

No fee accompanied your application. I suggest that the required fee is £548.00 and would be grateful if you would either make payment on line at

<https://www1.arun.gov.uk/make-a-payment/start>

or forward a cheque made payable to Arun District Council as soon as possible. If you have paid on line, please forward a copy of the fee receipt, so the payment can be quickly linked to the application. Please note we cannot accept cash.

Lidsey Drainage Impact Assessment

This application is for development within Lidsey Local Flood Risk Zone (LFRZ) and a statement explaining how foul and surface water is to be drained from the site is required. The statement must include what measures will be implemented by the applicant to reduce the impact of foul and surface water drainage in the catchment area. Further details of what must be included can be found in the Validation Requirements Lists.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it to: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **30th June 2026** or your application will be closed as incomplete and where a fee has been paid, I will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. If you have difficulty meeting this deadline please contact the above officer to agree an extension to this time scale. Once the application has been closed, you will need to submit a fresh application if you still want to proceed.

Yours sincerely

Neil Crowther
Group Head of Planning
