Hi Wayne,

I have spoken to Kate and unfortunately she has now been tasked with working on the new caravan legislation until at least September. This case has therefore been transferred to Craig Milligan. Please note that Daniel Vick is my team leader.

Craig – can you make contact with Wayne please.

Kind Regards

Hi Simon,

I have been continuously trying Kate on and off by phone and email since when you originally contacted me (20th April) with the query on the lighting but I still wait a reply. I don't want the application to be refused due to insufficient time because of Kates lack of response to me. My drainage engineer has said expressed similar concerns with returning his queries bearing in mind he has only just received his drainage queries too. It doesn't leave much time to address and respond.

Regards.
Wayne
