Thank you for your internet representation made on 2nd May 2018 w hich has been recorded as **'an objection'** w ith the comments as follow s:

15 extra classrooms mean a lot more extra pupils. Already there is very limited car parking and dropping off areas for the school. Unless provision is made for car parking, the extension should be only half this size.

Your view s w ill be considered before the application is determined and I shall w rite to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you w ill not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda w ill be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments w ill again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and w ill publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy w ill be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not w ish your comments to appear on the 'open file' please confirm this in w riting and I w ill arrange for it to be destroyed although this means that its contents w ill then be disregarded.

In the event of a subsequent w ritten representations appeal, against a refusal of planning permission on a householder application, any representations made on the application w ill be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there w ill be no further opportunity to comment at the appeal stage.

Yours faithfully
