Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FP/82/21/HH
Site Address: 6 The Loop Felpham PO22 7ND
Description of works: New front entrance porch, side dormers and pitch roof to the existing first floor room and a pitch roof rear extension to form a new drawing room.

Thank you for your internet representation made on 16th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36284

I object to the above application for the following reasons.

1.
None of the plans show the impact on the neighbours, particularly Number 7 the Loop.
2. privacy.
The proposed dormer windows are at a height which will allow direct viewing into a double aspect bedroom window less than 3 metres away and also into the kitchen diner. Privacy will be impinged upon over most of the rear garden and Patio and therefore affecting our enjoyment of such.
3.
Depravation of light. The existing house being Nu 6 already casts a shadow into our garden covering 30% until mid /late morning With the proposed extension this will increase to at least 50% during the summer and more severe depravation into the winter..The new proposed extension will extend 80% the boundary line from the beginning of No 6 garage to our rear boundary.
4.
There has been no discussion with neighbours on this proposal which we consider to be very unneighbourly. The proposed chimney will be an eyesore when viewed from Number 7.

Your views as made above will be considered before the application is determined.
