Dear Sir/Madam,

I have looked at the above application and read the letters of objection lodged by neighbours and others.

The letters of objection I support as they appear reasonable and apt to me.

Privacy, close proximity, overlooking are all important to the ethos of this established estate . Lack of consultation is an apparent concern and uneighbourly.

I strongly recommend that the case officer inspect the proposal from the Northside garden to understand the reasons for concern..... Effectively unwarranted overdevelopment I believe

Yours faithfully

Jonathan Rolls
