Dear Malcolm,

As ADC Drainage no longer wish to discharge the part of Condition 11 which relates to surface water drainage in the discharge of condition application FP/37/19/DOC; the whole of condition 20 (surface water drainage) and the whole of condition 21 (drainage gullies), we have removed conditions 20 and 21 and amended condition 11 on the Council's website.

I hope you agree to these changes to the description of FP/37/19/DOC on the website.

I look forward to receiving your response.

Kind regards,

Michael
