Hi Daun

Further to you letter dated 16/04/21, please find amended plans & elevations as requested.

- 1) I agree to the application description.
- 2) Not sure what you meant, but found the door was missing off the north elevation and the bathroom window off the west elevation, I have revised the area to the entrance on the east elevation, I think that is all correct now.
- 3) Window added to first floor plan.

If I have not got it right please let me know.

Kind Regards

Ivon
