

---

Please substitute the Site Plan with the attached and call the new plan "LOCATION AND BLOCK PLANS, EXISTING AND PROPOSED SITE PLANS IBA/549/01 Rec'd 18/05/21"

Please also upload the email below and label as "Photo from Agent"

Thanks

---

Dear Simon

Please find attached photo of the site as discussed, I have blanked out the registration plates.

The only window the proposal will affect is the small first floor window to a loft room in Greenock Villas, our proposal will not affect any legal right to light, but may affect some views. We have had detailed discussion with the owners and they will not be raising any objection to the application.

Please also find attached amended site plans, showing the balcony as requested.

As far as the parking is concerned I would confirm that this application will have one dedicated space under the building as shown. The potential shortfall of 1 space for the existing beach huts will be available in the main hotel car park opposite.

Please note that one of the rep letters has been posted twice.

Kind Regards

Ivon
