Dear Ivon,

Thanks for your email. I am afraid that we will not be able to support this application. I discussed this with Daniel Vick and we feel that its overdevelopment of the site leading to harm to character and the amenities of nearby residents. I intend to refuse the application although if you would rather you can withdraw instead.

Morning Simon

Just wondered if you could give me an update as to where we are with this application, as the determination date is next week.

Following the great success of the existing beach huts and the new beachfront terrace we very much hope you can support this application as it is essential to the continuing viability of The Beachcroft Hotel in these difficult time for the hospitality industry.

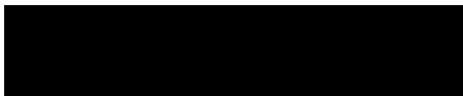

Kind Regards

Ivon
