Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FP/84/22/PL
Site Address: 7 Ambleside Close Felpham PO22 8NG
Description of works: Erection of 1 No three-bed detached dwelling (resubmission of FP/86/21/PL). This site is in CIL Zone 4 and is CIL Liable as a new dwelling.

Thank you for your internet representation made on 23rd June 2022 which has been recorded as an objection with the comments as follows:

OWPC48402

We object for the same reasons as we have previously stated for the last 2 planning applications for the development of 7 Ambleside Close. This 3rd revised planning application is an overdevelopment of Ambleside Close which is a mix of detached and semi-detached houses built in the 1960s so it will not be in keeping with the street scene. Parking in the close is already at a premium: at evenings and weekends there are 20 plus vehicles, belonging to residents, either parked on the road or on private drives. A new build would exacerbate the existing parking problem by adding another 2/3 vehicles requiring parking in the Close. We have watched residents and visitors struggling to find a parking space and have seen them reduced to parking on Outerwyke Rd. which, on school days, can have tailbacks from the junction of Firs Avenue to the junction of Ambleside Close and Outerwyke. The refuse lorry struggles to manoeuvre or turn in the Close and, if there was an emergency, which there has been in the recent past, then, equally, emergency vehicles would have difficulty finding an appropriate parking spot. The same problem would apply to contractor's/builder's vehicles if the planning application was to be approved.

Your views as made above will be considered before the application is determined.
