To: Maria Tomalova <Maria.Tomalova@arun.gov.uk>; Planning.Responses <Planning.Responses@arun.gov.uk>

Subject: 7 Ambleside Close Felpham PO22 8NG - FP/84/22/PL

Planning Application Reference: FP/84/22/PL

Proposal: Erection of 1 No three-bed detached dwelling (resubmission of FP/86/21/PL). This site is in CIL Zone 4 and is CIL Liable as a new dwelling.

Location: 7 Ambleside Close Felpham PO22 8NG

Dear Maria,

Environmental Health has no objection in principle to the above development, however the following matters must be considered.

Unexpected contamination

If during development, any visible contaminated or odorous material, (for example, asbestos containing material, stained soil, petrol / diesel / solvent odour, underground tanks or associated pipework) not previously identified, is found to be present at the site, no further development (unless otherwise expressly agreed in writing with the Local Planning Authority) shall be carried out until it has been fully investigated using suitably qualified independent consultant(s). The Local Planning Authority must be informed immediately of the nature and degree of the contamination present and a method statement detailing how the unsuspected contamination shall be dealt with must be prepared and submitted to the Local Planning Authority for approval in writing before being implemented.

If no such contaminated material is identified during the development, a statement to this effect must be submitted in writing to the Local Planning Authority.

Reason: To protect the amenity of local residents in accordance with Policy QE DM4 of the Adopted Arun Local Plan 2011 – 2031

Electric Vehicle Charging Points

Prior to first use of the development, a scheme for the provision of facilities to enable the charging of electric vehicles to serve the approved development shall be submitted to the local planning authority for approval and thereafter implemented in accordance with the approved details and the charge points shall thereafter be retained and maintained in good working condition.

Reason: New petrol and diesel cars/vans will not be sold beyond 2030, and to mitigate against any potential adverse impact of the development on local air quality, in accordance with policy QE DM3 (c) of the Arun Local Plan, the Arun District Council Electric Vehicle Infrastructure Study (November 2017) and the National Planning Policy Framework (NPPF)

Construction – Small Developments

The development shall be carried out in accordance with the 'Arun District Council Construction Code of Practice: For small developments in Arun', available from:

<https://www.arun.gov.uk/download.cfm?doc=docm93jlm4n12193.pdf&ver=12201>

Reason: To protect the amenity of local residents in accordance with Policy QE SP1 of the Adopted Arun Local Plan 2011 – 2031

Construction hours

No demolition/construction activities shall take place other than from 08:00 hours until 18:00 hours (Monday to Friday) and from 08:00 hours until 13:00 hours (Saturday) with no noisy work on Sunday or Bank/Public Holidays.

[In addition to these hours of working the Local Planning Authority may approve in writing a schedule of activities where it is necessary to conduct works outside the hours specified in this condition]

Reason: To protect the amenity of local residents in accordance with Policy QE SP1 of the Adopted Arun Local Plan 2011 – 2031

Sincerely,
Craig
