CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

Residents of 12 and 14 Derwent Grove, Felpham have strong objections regarding the proposed building of a detached house. It will overlook our properties and reduce our privacy. There is also an issue with the garden overgrowth which could be harbouring rats and other vermin. I have approached the house owner but as yet the issue has not been addressed.

Kind regards
