Subject: FW: Felpham Footpath by Football pitches

Hi Karen,

I am happy with the proposal to relocate the surfaced path to the yellow highlighted location on the attached plan, which will still connect at the same locations just closer to the 1.2m high fence to the pitches.

It is now your DOC.

Would you like to confirm this is acceptable with Malcom so that he can instruct contractors to install the path; and could you forward the attached plan (Revision F) to Planning Responses for uploading onto Ocella?

Kind regards,

Michael

Michael

We have been to site and the proposed location of the footpath as indicated in red is not feasible due to the overgrown vegetation, can we propose to relocate to the yellow highlighted location. It will still connect at the same

locations just closer to the 1.2m high fence to the pitches. If you can confirm this is acceptable we will instruct for this to be installed. The areas in grey have already been constructed.

Regards
