Hi Karen,

I have reviewed the online documentation and I have discussed this with Joe and we are happy to sign off FP/85/19/DOC.

We both note that the plan does still mention a grassed 5-a-side area but it has been agreed that this area is not appropriate for such a facility and that this facility is provided by the MUGA; the grassed area is now to simply be an amenity area.

Kind regards,

Anthony Baker

Subject: Urgent - FP/85/19/DOC Central MUGA at Site 6, Felpham

Hi Anthony,

Could we please have a response to confirm the amended plans are OK for the Ball Stop Fencing position and specification, the MUGA re-position and grass on the 5-A-Side pitch (REV G).

I would be really grateful if you could provide an answer this week. The file expires on the 30/10/19 and would like to get the decision discharged and sent out by then.

Many thanks for your help.

Kind regards,

Karen
