Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FP/86/21/PL
Site Address: 7 Ambleside Close Felpham PO22 8NG
Description of works: Erection of 1 No. 3 bed dwelling (resubmission following FP/179/20/PL). This site is in CIL Zone 4 & is CIL Liable as new dwelling.

Thank you for your internet representation made on 3rd May 2021 which has been recorded as an objection with the comments as follows:

OWPC35687

I am objecting on the grounds that:

1. The new building (grey colour and it looks it is even taller than the surrounding houses) is not in keeping with the street scene.
2. Parking has not been resolved. Up to last year some of the cars owners living in the cul de sac were forced to park in Outerwyke Road blocking our private car parks and creating traffic jam during school peak hours.
3. Nuisance, dust and traffic problems. I would like to mention that during the last years we had already an increased car park nuisance that I can hear from my bedroom since it is facing the cul de sac. This construction will negatively affect all residents of our area for the amount and the level of noise, the amount and the level of dust and the risks to health for the elderly people and children living in our neighbourhood, and the nuisance parking and congestion.
4. Drainage is still a big problem which affects my property directly. Flooding and drainage issues are still a big problem.

Your views as made above will be considered before the application is determined.
