Hi Sue,

As the above application does not appear to result in an increase in impermeable area, the Engineers will not be providing a consultee response in this instance. However, if you consider this assessment to be incorrect and would still like comments from the Engineers, please let me know.

Kind regards,

Kathryn Welch
Senior Planning Officer, Planning Department

Please note: My working hours are currently split between Development Management and ADC Engineers, which may result in extended response times. **Development Management:** Tuesdays and Thursdays **ADC Engineers:** Mondays, Wednesdays, and Fridays
