Thanks Neil.

Firstly we agree to the extension of time until the 1st November for determination by which time I hope the S106 will be signed off.

As for progress, have you briefed Delwyn? I have not heard anything either. Or perhaps you would like Moore Blatch (acting from BDW) to simply redraft the S106 for the extra 7 units which we have agreed should be the same as the 70 units pro rata? Please let me know how you wish to proceed?

Graham,

The above application for the additional 7 units was resolved to be approved at Committee on 28 August. I've heard nothing more since about progressing the completion of a S106 agreement. Can you let me know what is happening?

Also, can you confirm a formal extension of time to the application to allow time to complete this agreements? I suggest a date on 1 November but hopefully we can get everything resolved before then.

Regards, Neil
