Neil

I have spoken to my client who says that the S106 is with Delwyn.

I would agree to a further extension of time to 20th December.

Graham,

I understand that Delwyn has been in contact with your clients' solicitors about completing this S106.

As you know, we agreed an extension of time until 1 November 2013 but the agreement has yet to be completed)so that a planning permission can be issued but we've unfortunately been unable to do so within these timescales. Can we therefore agree a further extension of time to 20 December? I hope there is no reason that the S106 will not be completed much earlier than this.

Regards, Neil
